

SFEDI DIRECTORY

*ACCREDITING AND CHAMPIONING
BUSINESS SUPPORT PROFESSIONALS*

WWW.SFEDIDIRECTORY.CO.UK

The **SFEDI Directory** is your **complete solution** for reaching new clients as an accredited and experienced business support professional.

Secure your place in the **SFEDI Directory** to gain the kudos and exposure of being part of the organisation that provides the bedrock of a truly entrepreneurial culture and economy.

The **SFEDI Directory** is central to the drive towards a more competitive enterprise landscape with increased employment opportunities, improved productivity and, ultimately, greater prosperity regionally and nationally.

It is designed and maintained to guarantee that advisers, coaches, consultants, mentors and trainers like you can share their up-to-date, relevant qualifications and valuable experience with the businesses that would benefit from your support.
